MIDAS

"Cerise! Please come see me," says Mother.
Cerise rushes over.

"I just received a visiogram call from Grandma
who is not feeling well.
Would you mind taking her a few pancakes
made with grube butter?"

The little girl is happy to accept.
This is a chance to try out the new space vessel
she received for her birthday. It's really great.
And it's red, the color she loves.
It has carpet in the cockpit and flowered curtains.
So totally charming!

"Watch out for the Molfs!" warns Mother.
"I will!" answers Cerise.

Off she goes! The little girl embarks on her vessel
and heads straight to planet Granny where her grandmother lives.
